

Directions

The Institute for Semiconductor Technology and Nanoelectronics is located in the center of Darmstadt, at the northernmost border of the „Herrngarten“ (see mark „IHTN“ in Map 2). It is easily reachable with all means of transportation.

From the federal freeway A5 (exit 26, Dreieck Darmstadt) you get to federal road B26, which leads to the Rheinstraße. Thenceforward please follow maps 1 and 2.

From main station you can take tramway line 5 to station „Pallaswiesenstraße“. From there it is a 3 minute walk to the ISTN.
